Policies and Procedures

Welcome! I am excited you have decided to become a client and that we will be working together. There are a few guidelines that I expect my clients to understand and follow for our relationship to work. If you have any questions about these policies or anything else during our journey together, please let me know.

Fees

Free 30-minute Meet and Greet	30-minutes: Free	Energy Healing Session	60-minutes: \$75
Intuitive Guidance Session	60-minutes: \$75	Crystal Recharge Session	30-minutes: \$35
Inner Growth and Spiritual Development	90-minutes: \$90	Salt Lamp Detox	30-minutes: \$35

Payment is expected at the time of visit, clients will be charged a \$35 bounced check fee and all costs associated to acquire payment.

Procedure

We will spend time at the beginning and end of a session talking to recap what is going on and to check in after an energy session to see how you are feeling. Time on the table will vary depending on your needs at the time of the appointment.

Sessions

All sessions are held at **The Tannery Marketplace, 111 Saranac Street, Studio 9, Littleton, NH.**

Most issues do not develop overnight; therefore, it is unrealistic to believe that one session will 'fix' everything. I recommend a series of consistent sessions to experience some, if any, relief. It is important to set aside any expectations regarding the results; your experiences will most likely be different each time you have a session.

Appointment Policy

- ❖ Clients are expected to arrive for their sessions on time.
- ❖ Anyone under the influence of alcohol or drugs at the time of their session will be turned away and charged the full price for the appointment due prior to the next session.
- ❖ A notice of 24 hours is required for canceling/rescheduling a session. You will be charged 50% of the session fee for late cancellations which will be due prior to rescheduling another appointment. I understand that unanticipated events and emergencies happen occasionally in everyone's life and this fee may be waived at Patricia Laurino's discretion.
- ❖ Anyone who either forgets or consciously chooses to forgo their appointment for whatever reason will be charged a "no show" after 20 minutes and will be charged 50% of the session fee for your "missed" appointment. This amount must be paid prior to your next appointment.

If you arrive late, your session will be shortened to accommodate others whose appointments follow yours. Depending on how late you arrive, I may determine there is not enough time to start a session. Regardless of the length of the treatment given; you are responsible for the price of "full" session originally booked.

It is my mission to serve every individual with dignity and respect and to create a safe environment which will allow you, the client, to heal, and grow as a spiritual being. I, as a practitioner will hold you in the highest vibration and will support your healing journey any way, I am able.
